

Register to become Local Buyers

At SUBCON THAILAND 2025

The Business-Matching Program is exclusively for exhibitors of SUBCON Thailand and registered industrial part-buyers. The Program offers both business linkage and business opportunities that connect quality part makers and some of the world's top part-buyers in important industries such as automotive, electric vehicle, electrical appliances, electronic, machinery, and future industries including aircraft maintenance, medical equipment, robotics, and automation.

Join us in...

- **Business Matching Event**
- **Booth at Buyer's Village:**
6 Sqm. Standard booth for buyers to show & tell the sourcing parts. (Limited offer)
